PRIVACY POLICY

Your privacy concerns are important to us at Smith Pumps, and we are committed to protecting your privacy. Please read the following Privacy Policy to understand how your personal information will be treated as you use this website. When you use this website, you consent to the use of your personal information by Smith Pumps in the manner specified in this Privacy Policy. This policy may change periodically, so please check back from time to time. For your information, the date of the last update to this Privacy Policy is stated at the bottom of this document.

THIS POLICY WILL EXPLAIN:

1. What Information We Collect From You, and How We Use That Information
2. How We Protect Your Information
3. Questions About the Privacy Policy

1. WHAT INFORMATION WE COLLECT FROM YOU AND HOW WE USE THAT INFORMATION:

Smith Pumps does not collect any personally identifiable information from you (e.g., name, address, telephone number, e-mail address) unless you voluntarily choose to submit or otherwise disclose such information to us, including information submitted or disclosed by mail, telephone, fax or electronically. We will not sell, trade or rent your personally identifiable information to third parties. Smith Pumps will only use your information to respond to your request for information. If requested, Smith Pumps may have one of its authorized distributors contact you, in which case, your personal information will be provided to a Smith Pumps authorized distributor to assist them in providing customer service to you.

Smith Pumps may store and process voluntarily submitted, personally identifiable information to better understand your needs and how we may improve our products and services. Unless otherwise stated or requested by you, we may use your personally identifiable information to contact you. For example, we may send you marketing materials or other information, respond to your comments or requests, or contact you if needed in the course of processing or shipping your order for products or services offered over our websites.

If you have submitted personally identifiable information through the Smith Pumps website or interactive advertisement, or if someone else has submitted your personally identifiable information through the Smith Pumps website or interactive advertisement, and you would like to have that information deleted from our marketing databases, please contact us via e-mail at smumpump1299@aol.com, send a letter to our webmaster by mail or facsimile or call us at the number indicated below. We will then use reasonable efforts to remove your personally identifiable information from our files.

Except as otherwise expressly discussed in this Privacy Policy, this policy only addresses Smith Pumps' use and disclosure of information we collect from you. To the extent that you disclose personal information to other sites, you are subject to the privacy customs and policies of these other sites. We encourage you to ask questions before you disclose any personal information.

2. HOW WE PROTECT YOUR INFORMATION:

Transmission Errors or Unauthorized Acts:

Unfortunately, no data transmission over the Internet can be guaranteed to be 100% secure. As a result, while we strive to protect your personal information, Smith Pumps cannot ensure or warrant the security of any information you transmit to us or any information provided by our online services, and you do so at your own risk. Smith Pumps will not be liable for disclosures of your personal information due to errors in transmission or unauthorized acts of third parties. However, once we receive your transmission, we do our best to ensure its security on our systems by making reasonable efforts to protect the information.

Security:

Any information provided to Smith Pumps is treated with care and discretion. Smith Pumps will take a proactive approach to ensure the information is kept private and not misused.

3. QUESTIONS ABOUT THE PRIVACY POLICY:

Privacy and security is important to us all. We pursue a full-disclosure approach to responsibly care for the information you have entrusted with us, and we depend on information sharing as our principal means to best serve you. This is why we are committed to building a trusting relationship with you. We will continually monitor customer feedback and seek to improve our services to meet your needs.
