LIST OF NEW AND EXCHANGE SHAFT-SEAL ASSEMBLIES

Under our exchange plan for shaft-seal assemblies, your old assembly may be returned for credit. The credit listed is guaranteed, providing the assembly is not taken apart, and that it is packaged properly so that it is not damaged by the carrier. The credit you will receive will result in the net exchange price indicated below. Postage or other shipping costs are not included.

CREDITS FOR EXCHANGED ITEMS ARE USED AGAINST FUTURE PURCHASES ONLY. THEY WILL NOT BE PROCESSED AS CASH REFUNDS.
