

EC Declaration of Conformity for pumps less motor, Liquid Carbon Dioxide transfer

Smith Precision Products Company declares the following:

Our product, D-series, E-series, SQ-series, MC/GC-series, ATC-series, TC-series, and MCAT-series bare-shaft pump, or bare-shaft pumps mounted on base plates with VC-series flexible drive coupling, less electric motor, complies as follows:

The Standards: EN ISO 12100:2010 Safety of Machinery, EN 809:1998 Pumps and pump units for liquids, EN 12162:2001+A1:2009 Liquid pumps-safety requirements

The Directives: Pressure Equipment; 2014/68/EU**, Machinery; 2006/42/EC

Other Standards: U.L. 51 Standard for Safety-Power operated pumps

*** Smith pumps are specifically excluded from the scope of 2014/68/EU and hence comply with the applicable provision of such exclusion.*

Use of the above equipment must be in strict accordance with all user instructions that accompanies the product, information contained on all pump or pump/motor label plates, and all local and national codes of practice

The signatory of the Declaration of Conformity is Walter W. Smith, President of Smith Precision Products Company, Inc. The above equipment has been designed to comply with the relevant sections of the above referenced Standards and Directives and complies with all essential requirements of the same.

Newbury Park, California, USA; March 8, 2017
