

EC Declaration of Conformity under the European Pressure Equipment Directive, PED (2014/68/EU)

In accordance with ISO/IEC 17050-1

The items below are pressure accessory equipment manufactured by Smith Precision Products Company, Inc., 1299 Lawrence Drive, Newbury Park, California, 91320, USA

Items included in this Declaration of Conformity include bypass valves and Y-type strainers. For Group 1 gases, part numbers for bypass valves are as follows: **WW-114, WW-112**. Part numbers for strainers are as follows: **W-1-114-034, W-1-114-100, W-1-114-114, W-2-112-112**. For Group 2 gases, part numbers for bypass valves are as follows: **WW-112, WW-200, WW-212**. For Group 2 gases, part numbers for Y-type strainers are as follows: **W-2-112-112, W-2-200-112, W-2-200-200, W-3-212-212, W-3-300-212, and W-3-300-300**. Identical Y-type strainer part numbers followed by the letter "A" are also included.

All of the above named product is Category 1. Conformity assessment utilizes Module A.

The above comply with EN 1503-3 and EN1563 approved by CEN on October 6, 2000 and May 2, 1997, respectively. These European Standards have been prepared under a mandate given to CEN by the European Commission and the European Free Trade Association. These European Standards are considered to be supporting standards to those application and products standards which in themselves support the essential safety requirement of a New Approach Directive and which make reference to these European Standards. Bypass relief valves are Listed with the Underwriters Laboratories in accordance with Safety Standard U.L.-132.

The signatory of this Declaration of Conformity is Walter W. Smith, President of Smith Precision Products Company, Inc. I hereby declare that the equipment named above has been designed to comply with the relevant sections of the above referenced specifications and complies with all essential requirements of the European Pressure Equipment Directive 2014/68/EU.

A handwritten signature in blue ink, appearing to read 'W. Smith', is written over a horizontal line.

Walter W. Smith, for Smith Precision Products Company, Inc.
